Mobility and scholarship project financed by the European Commission.

For info and application: www.eubrazilstartup.eu

The project is open to students and scholars from Brazil and from the European partner Universities willing to spend a mobility period abroad, respectively in Europe and Brazil, for the purpose of studying, teaching or carrying out training and research. You can apply to study and participate in this programme for an enriching experience from both a personal and a professional point of view. Each beneficiary will be awarded a scholarship covering subsistence (from 1.000 to 2.500 € per month, according to the academic level), travel costs and insurance.

PERIOD OF APPLICATIONS: 19th October - 6th December 2009
